

ANNUAL REPORT

I feel honoured to extend a hearty welcome to Our Honourable Chief Guests, Our Correspondent Madam, Members of the faculty, Parents and my beloved students for this 4th annual day celebration.

Our School with its motto “Bless us to be a blessing” is infact a real blessing.

Our Founders Mr. Jeyaraj and Mrs. Veronica Jeyaraj who have been the back – bone of this reputed institution have designed its vision to create enlightened individuals, with personal accomplishment and social consciousness.

Our School aims in preparing our children for the future. We focus on supporting all students to reach their full potential academically, socially and emotionally. We have committed, Pro – active teachers and dedicated staff support working to help each child to reach their potential. Our staff has been adopted to a wide variety of innovative teaching practices.

The Annual day is the occasion to celebrate, a time to look back with pride, and to look ahead with vision. I feel elated today to present the schools report for this academic year. I wish to begin with the academic front.

More than 300 students participated in the International Olympiads Conducted by SOF. I feel proud to say that ‘32’ Students received gold medals and ‘36’ students received silver medals.

Aaron Jason Williams and Saalih of Ist Std received the medal of distinction for their Zonal excellence in English Olympiad.

Our Students also participated in the computer – Techno Talent 2018 Competition in which Afreen Irfana of Eighth std was selected as the Best Performer in the State Level.

Albert Einstein once said,

“A theory can be proved by experiments

But no path leads from experiments

To the birth of a Theory”

Our Students came out with many innovative ideas in the Science and Social expos conducted in October. It helped to stimulate the Students Scientific Knowledge and to exhibit their skills of presentation. Students from KG to IX were encouraged to display their working and non – working models and they proved themselves to be young and enthusiastic Scientists of our school.

In addition to academics, our students excel in Sports too. We are delighted to announce that Gowtham Siddharth. N of Class VIII won the First prize at the National – Level Karate Competition.

In the state level yoga Competition held in Sivakasi , Neha Manaf , Sivaraja Shankari and Dhanya won the First Prize and Ragavendran of Class II won the 2nd prize.

Besides academics, co – scholastic activities form and integral part of our school curriculum. Different club activities help important communication skills which can be important to their career were followed on all Saturdays.

Mother Theresa, Once said ,

Not all of us can do great things

But we can do small things with great love”

Yes, Our students too , With a big heart contributed many materials to the people in old – age homes , and to the people affected by flood in Kerala and by Kaja Cyclone in Nagapattinam District.

We continue to educate the students by taking them to offsite visits like Farms , Industries , Brick Kiln , Coir – Plastic , Industry – Dairy farms , temples etc., to get practical exposure in various fields.

Linguistic day was celebrated in order to convey the importance of cultural and linguistic diversity for sustainable societies. So, languages like Marathi, Konkani, Gujarati, Bengali, Urdu, Bodo, Sindhi, Sanskrit were taught by giving them few sentences from each language

Road safety week celebrated in the first week of February which was aimed at raising public awareness about traffic rules and to reduce the casualties due to road accidents. During the campaign, safety poster, variety of educational banner and leaflets were distributed to the on road travellers.

Counselling sessions were conducted to improve the student’s lives academically – socially and psychologically. It also helps to maximize the values in them so that they shine as better citizens of tomorrow.

Our Kinder gartens were also engaged in various fun – learning activities like colouring , Self – Introduction , Fun race , Kids – Reading Corner , Colour day celebration Rainy Day Celebrations etc.,

I come to the end of the report by thanking our founders Mr. Jeyaraj and Mrs. Veronica Jeyaraj for their support and guidance without we would not have accomplished our goals.

And also I would like to extend my sincere gratitude to the parents for their trust, support and faith in all the endeavours we take in our School.

I would like to thank my teachers for their invaluable co – operation and consistent support throughout this year.

Last but not the least I would like to express my heart – felt gratitude to the Almighty who has endowed us with his richest blessings to attain success.
